

## MISSION STATEMENT

*The role of the Lincoln Southwest High School Parent Advisory Council is to provide an open forum where parents and community members can meet with school administrators to receive information and discuss issues and concerns relating to the Lincoln Southwest High School Community. The Council will communicate this information to the community.*

### *Membership*

Membership is open to anyone wishing to attend. There are no dues, but a list of attendees is kept in order to provide pertinent information in a timely manner.

## MEETING FORMATS

**The Southwest Parent Advisory Council meetings will be divided into three parts:**

### **Business Meeting**

This component will be conducted by the President. It will consist of the Minutes, Treasurer's Report, Old and New Business, Curriculum Board and School Board reports.

### **School Reports**

The Principal and Council President will identify topics of interest for meetings. Staff members and students will be invited to share appropriate information.

### **Open Forum**

The Principal will conduct the final component of the meeting which is the open forum. This will be a time for the Principal to bring issues to the parents and community to identify areas of concern. No staff names may be publicly brought up during this forum.

## Additional Activities

---

The Parent Advisory Council is not an organization whose primary function is fundraising. However, in order to honor academic achievement and to promote school unity, some fundraising may be done to enable these activities.

These activities may include but are not exclusive to, working a concession stand during a Lincoln Southwest Activity, providing parent student directories, and giving a scholarship to honor the achievement of a Lincoln Southwest High School senior.
