

School Improvement Scavenger Hunt

Assignment: Your task is to walk around the school (both inside and out) and find areas/items that could use improvement. These can be brand new ideas as well as revisions and improvements for our current facility setup. In the space below, generate a list of as many school improvement ideas as you can.

- Examples:**
1. Everywhere - We need recycling bins present around all areas of our school.
 2. Commons Area - Purchase bulletin board to hang in the Commons area. Rent advertising space to activities/athletics each month.
